WARNING

- Some harmful changes which may result from repeated overexposure to UVA/UVB radiation include: cataracts, skin cancer, premature aging and possible photosensitive reactions when using perfumes, cosmetics and certain drugs, including some antibiotics, and birth control pills (*Photosensitive/Phototoxic drugs are posted near the Reception area*)
- If the patron is under eighteen years of age, the operator shall obtain the written consent from the parent or legal guardian of the patron prior to any tanning session. This written consent shall be signed at the licensed location, and shall specify the number of sessions consented to, and shall become part of the record of the patron. The minor patron may then alone sign the patron card for the remainder of the consented sessions. (Ref: 4713-19-09)
- I have had the above explained to me and have answered the questions to the best of my knowledge. I understand the instructions for the use of Indoor Tanning Equipment.
